ProMilitaris.com Officially Launched on the Web and Mobile

Castro Valley, California, 02/14/2011 - [ProMilitaris.com](http://www.promilitaris.com) would like to announce the official release of our all new Navy Advancement Study Guides service for web and mobile devices!

ProMilitaris.com Advancement Study Guides is a cutting edge provider of Online learning tools. Dedicated to easing the advancement of all those who serve in the United States Navy.

No matter what paygrade you are testing for, the Navy Basic Military Requirements (BMR NAVEDTRA 14325) course is a key source of information for success in the Professional Military Knowledge (PMK) portion of your Navy-wide Advancement Exam (NWAE).

When you study using ProMilitaris on-line Navy advancement study guides, you are using an easy to digest and convenient system to learn what the BMR has to offer with:

- Multiple ways to study
- Interactive Evaluation quizzes
- Instant progress tracking

Now on your iPhone! Take your studies on the road. Harness the power of the mobile devices to extend your study guide experience well beyond the desktop. Study for your Navy advancement exam with the ProMilitaris iPhone App anywhere/anytime!

- <http://navy.promilitaris.com/mobile.html>

There are many areas you must excel in for advancement in the US Navy. It takes effort and commitment. Let ProMilitaris.com make your studies of the BMR easy.
